

HATS ON! Is a training program designed to certify professionals and lay professionals who serve families who have mental health needs. The Wyoming Department of Health, Mental Health, and Substance Abuse (DHMHSA) SAGE initiative, and UPLIFT, a Wyoming family resource network, are collaborating and partnering with families, children and communities. The goal is to improve how we support and empower families, how families gain access to child mental health and related family program services, and how families grow and thrive.

The training will focus on becoming a family care coordinator and a certified Children's Mental Health waiver provider. Hats ON!! provides the training required to become a Children's Mental Health Waiver provider. Attendees that would like to become a "certified" Children Mental Health Waiver provider must successfully complete all training modules and submit a Children's Mental Health Waiver provider application and Medicaid Provider Enrollment application. Applicants will be certified as a provider only after approval of applications, including background and DFS central registry checks.

The next training is being offered in four sessions beginning May 27, 2008 (see specific dates and times below) at the following locations:

Casper:

UW Outreach Building
951 North Poplar, Room 113
Casper, WY 82601

Cheyenne:

Laramie County Community College
Auto Body (AB) 208
UW Southeast Regional Center, 1400 E. College Drive,
Enterprise Center, Cheyenne, WY 82007

University of Wyoming
Beta House, Room 105
1731 Fraternity Rd
Laramie, WY 82070

The training modules are:

May 27, 2008 8:30 am – 12:00 pm

- **MODULE 1: Systems of Care in Wyoming and the Wraparound Process**
 - This module will define how “systems of care” works in Wyoming. As well as defining who can become a family care coordinator, the jobs of the family care coordinator and the goals of the process.

May 29, 2008 8:30 am – 12:00 pm

- **Module 2: The Underlying Principles Guiding the Work of family care coordination**
 - This module will discuss the principles that underlie FCC work. What do we mean by cultural and linguistic competency. What does family driven and youth guided mean and how do you work with the family as a system.

June 3, 2008 8:30 – 12:00 pm

- **Module 3: Building Systems of Care Teams**
 - This Module will create an understanding of how a FCC will build and establish an effective wraparound team that can work effectively together.

June 5, 2008 8:30 – 12:00 pm

- **Module 4: The Child Mental Health Waiver**
 - This module will discuss how to become a child mental health waiver provider including provider enrollment/eligibility requirements and application processes.

We are utilizing an on-line registration system, so please review the following information prior to registration:

- To ensure the most productive learning environment, space is limited at each training location. Each location will accept a maximum of 6 registrations per training session, so please register early.
- If you attempt to register and the location you have requested is full, the on-line system will inform you that the registration is closed. If you would like to be put on a waiting list, or receive information about future Hat's On trainings, please contact Marian Stordahl at 307-766-6112 or mstordahl@uwyo.edu.
- Hat's On! Training is offered in four modules you will receive a certificate of attendance at the completion of the training. In order to receive a certificate of attendance, participants must:
 - Register on line prior to the start date of Module 1
 - Attend all four modules
 - Sign-in on each day and stay for the entire session
- To link to the on-line registration site please go to:
